

Veterans Needed for a Research Study on Hearing.

We are looking for Veterans to participate in a research study to develop a more effective hearing test.

To be eligible:

- You must have a DD-214, Service Separation Date or NGB-22 within the past 5 years
- Be 18-62 years old

Participation Requires:

- 1-5 test sessions. Each session takes about 2.5 hours and includes questionnaires and a series of hearing and listening tests. Sessions can be completed during one visit or across multiple visits to the Portland VA.
- Qualified subjects will receive \$50 for the screening session and \$50 per test session.

By participating you will be contributing to research that will benefit patients in the future. You may benefit from receiving a hearing test and learning about your hearing.

Interested? Scan the QR code to save a copy to your phone:
